Miss Maude White, visiting teacher for Bulloch county, added much to the Founders' Day program with an address, "How To Promote Child Welfare in Bulloch County." "The Objectives of Parent-Teacher Association" was the outline Miss White followed throughout her talk.

The main feature of the business meeting was the changing of the auditorium into a gymnasium so the boys and girls could have better organized recreation.

HALF TRUTHS ARE DANGEROUS!

More Dangerous Than False Statements

Let's Look at the Other Half of the Picture

LET'S PLAY FAIR!

1 Many people, many good people in Bulloch county have signed a petition calling for an election to determine whether or not the county shall continue to have LEGAL CONTROL of Alcoholic Beverages or whether the county shall have a so-called "Prohibition."

LET'S LOOK AT THE RECORD.

2 If so-called "Prohibition" is brought back, make room, extra room and lots of it, for the Bootlegger. Make no mistake about this. Without fail, whenever a county has voted to try once again to have so-called "Prohibition," THE BOOT-LEGGERS HAVE MOVED BACK IN!

3 The uncontrolled sale of Alcohol means that all the whiskey sold in Bulloch county will be sold by Bootleggers! (And if you are honest with yourself you will admit that whiskey will be sold! Tell any group of Americans that there is a commodity they CAN'T have, and watch what happens! What happened when coffee was first rationed? People used black market, bribery,—any method possible to GET coffee. As soon as coffee was back on the shelves coffee was bought sparingly, and only when actually needed!) Prohibiting won't work in America. Legal control? Yes! "Prohibition?" NO!

4 The Controlled Sale of Alcohol Means That: Alcoholic Beverages are sold in STORES, not Hideouts; stores that are operated by responsible Bulloch County Citizens.

THESE STORES PAY
FEDERAL LICENSE FEES
STATE LICENSE FEES
COUNTY LICENSE FEES
CITY LICENSE FEES
RENT, WHICH ADDS TO
COUNTY INCOME
WATER AND LIGHT BILLS

5 The controlled sale of Alcohol means that Alcoholic Beverage Stores are supervised: The Bulloch County Stores open at 8:00 a. m. and close at 9:00 p. m. These hours are regulated by the laws of Bulloch County and the Cities. (In the county they close at 10:00 p. m.)

The Bulloch County Alcoholic Beverage Stores are closed on Sundays.

The Bulloch County Alcoholic Beverage Stores are close on Holidays.

The Bulloch County Alcoholic Beverage Stores are closed on Election Days.

6 The Bulloch County Licensed Beverage Stores (and all Bulloch County Alcoholic Beverage Stores ARE Licensed) will not sell to minors, adults who are drinkikng, or any irresponsible adult. The Licensed Alcoholic Beverage Stores in Bulloch

county actually discourage Juvenile Delinquency!

7 Then there is the item of Revenue derived from the sale of Alcoholic Beverages in Bulloch county. In 1947 an estimated income of \$75,000.00 will be paid to Bulloch county by the Bulloch County Alcoholic Beverage Stores. This money will be used in and by Bulloch county for city and county improvements, for teachers, for health services. Where else will Bulloch county get \$75,000.00 for schools, for improvements of all kinds? What will it mean to the county to lose \$75,000.00 a year in revenue? What taxes will have to be levied to take the place of the lost taxes? What will so-called "Prohibition" in the county cost you?

Let's Play Fair

LET'S PLAY FAIR! LET'S EXAMINE THE WHOLE QUESTION OF LEGAL CONTROL BEFORE WE DECIDE WE WANT "SOMETHING ELSE" — "SOMETHING ELSE" IN THE FORM OF PROHIBITION — THE SAME PROHIBITION THAT PROVED SO DISASTROUS THAT THE AMERICAN PEOPLE REJECTED IT!

WE BELIEVE THAT THE FAIR-MINDED PEOPLE OF BULLOCH COUNTY WILL LINE UP ON THE SIDE OF LAW AND ORDER — ON THE SIDE OF CONTROL, LEGAL CONTROL—AND NOT ON THE SIDE OF THE BOOTLEGGERS!

IN MEMORIAM

R. H. SCOTT, who departed this life Feb. 8, 1946. A face I ever before us. A voice we will never forget; A smile that will last forever. In memory we see him yet. Deep in our heart lies a picture Of him who is at rest; Because we love him best. Gone but leaving memories That death could not take away; Memories that will always linger While upon earth we stay. He always had a smile to give, and he always helped those in need, and never thought it as a deed. Every one he met found in him a friend, and he was there to give and lend a helping hand. Though God saw fit to take him away, his memory will live from day to day and always. MRS. H. C. CLEARY. SONS AND DAUGHTERS.

FRED H. WOOD SELLS GAS... but his trade grows in the woods—

"I like to see a load of pulpwood go by my door... it is one product of the woods that helped me build a motor service business at Milledgeville," says Fred Wood.

"Many of the folks to whom I sell gasoline, tires and motor service get their money from the sale of pulpwood. So, in spite of the fact that I am not in the pulpwood business—not even a farmer—a lot of my trade grows in the woods around Milledgeville.

"My business gets better as people in my trading area harvest and sell more pulpwood. It is the same with other local businessmen... they do more business."

Would you like to know how pine becomes paper? Send for this short pictorial description. It is free. Address: Woodlands Division, Union Bag & Paper Corporation, Savannah, Georgia.

This is true because pulpwood represents income in addition to that from other crops and comes from land which has not always been counted on for much cash return.

Keeping fire out of the woods and giving nature a chance to help land which isn't good enough for field crops means increased production of pulpwood. This adds up to "increased business for others, too."
